What is Rotary Leadership?

- Inspire
- Lead by Example
- Firm and Fair
- Charisma
- Human
- Paraphrasing: "Turn Common Rotarians into Uncommon Rotarians"

■ In Rotary, Leaders must also manage

What is a Rotarian?

Considerations in admitting Rotarians:

- Service-minded
- Character
- Reputation of firm
- Meeting Financial Obligations
- Kampala North Add-ons: Availability, Contribution, Participation (ACP) After PP Deo

Caution!!

- A good Leader is not necessarily a good Rotarian; A good Rotarian is not necessarily a good Leader
- We want individuals who combine both!

ROTARY LEADERSHIP IS NOT..

- An inevitable result of a transition through various levels: All parts of the Rotary Body have their functions
- Recognition of societal importance, standing, or wealth
- The peak of our Rotary service
- Endorsement of infallibility
- About running a one-person show
- For the other person: we are all busy

Summing Up..

- Your last chance to say no passed when you were inducted: if you say no, resign from Kampala North
- Nominate and vote for individuals who
 - ◆ Inspire you
 - ◆ You wish to emulate
 - ◆ For whom you would go the extra mile
- Organisations that have democratic institutions for choosing their leadership deserve the leaders they get!

Summing Up..

- Choose wisely: choose with the brain and the heart.
 - *THANK YOU!*
