

Being a Complete Rotaractor

AG Tusu
Rotary Club of Kampala North

The Rotary House – Creating Hope *Our Raison d'être*

- Shelter from the raging storms: Poverty, Disease, Hunger; Ignorance; Illiteracy; etc – all examples of the quiet violence in our society
- We create hope
- We need a bigger and bigger house. Let us extend it. More rooms and wings – more clubs
- We need sand, bricks, cement, bars – more members – **Good Members, Complete Rotaractors**

Choose and Work the Materials Carefully

- Concrete needs cement, sand, aggregate and steel
- If any of the materials is weak, the concrete will be weak, the building will be weak and collapse.
- We need water – Rotary Ideals and Information – to work the concrete

Walk the 4 Avenues

- To encourage and foster the ideal of service as a basis of worth enterprise, and in particular to encourage and foster
 - Development of acquaintance as an opportunity for service
 - High ethical standards in business and professions.....
 - Application of the ideal of service
 - Advancement of International understanding, goodwill, and peace

Support the continued well being and growth of your Club

- Know the members of your club
- Let the members of your club know you (you, your profession, your family, **your home (hospitality)**)
- Be available, contribute, participate: be part of the team, the club
- **Meet your financial obligations – promptly**
- **Introduce/educate a new member**
- Learn about Rotary – read the Rotarian, Visit the Web, Visit other Clubs

Represent your profession; promote vocational awareness and high ethical standards

- High level of ethics in your profession – high minimum standards; The Declaration??
- Develop a high level of professional competence
- **Donate your time through your profession to the less privileged: defend your classification!**
- **Take on assignments as a Rotary Volunteer**
- **Learn about career guidance so that you guide younger people**

Improve the quality of life in your community

- **KNOW** the real communities you serve; Learn – from them – their real needs
- **KNOW** and **CULTIVATE** sources of resources: local and international friends; TRF;
- **Visit Interact Clubs; guide them**
- **Participate hands on – avoid being a cheque book Rotaract: Rotaract is about hands on! (Mother Theresa said?)**
- **Propose new projects**
- **Fundraise for projects**

Advance international understanding, goodwill, and peace

- There are no strangers...
- Constructing peace...
- **Contribute to the Foundation**
